• IDM Portfolio Servizi e Soluzioni

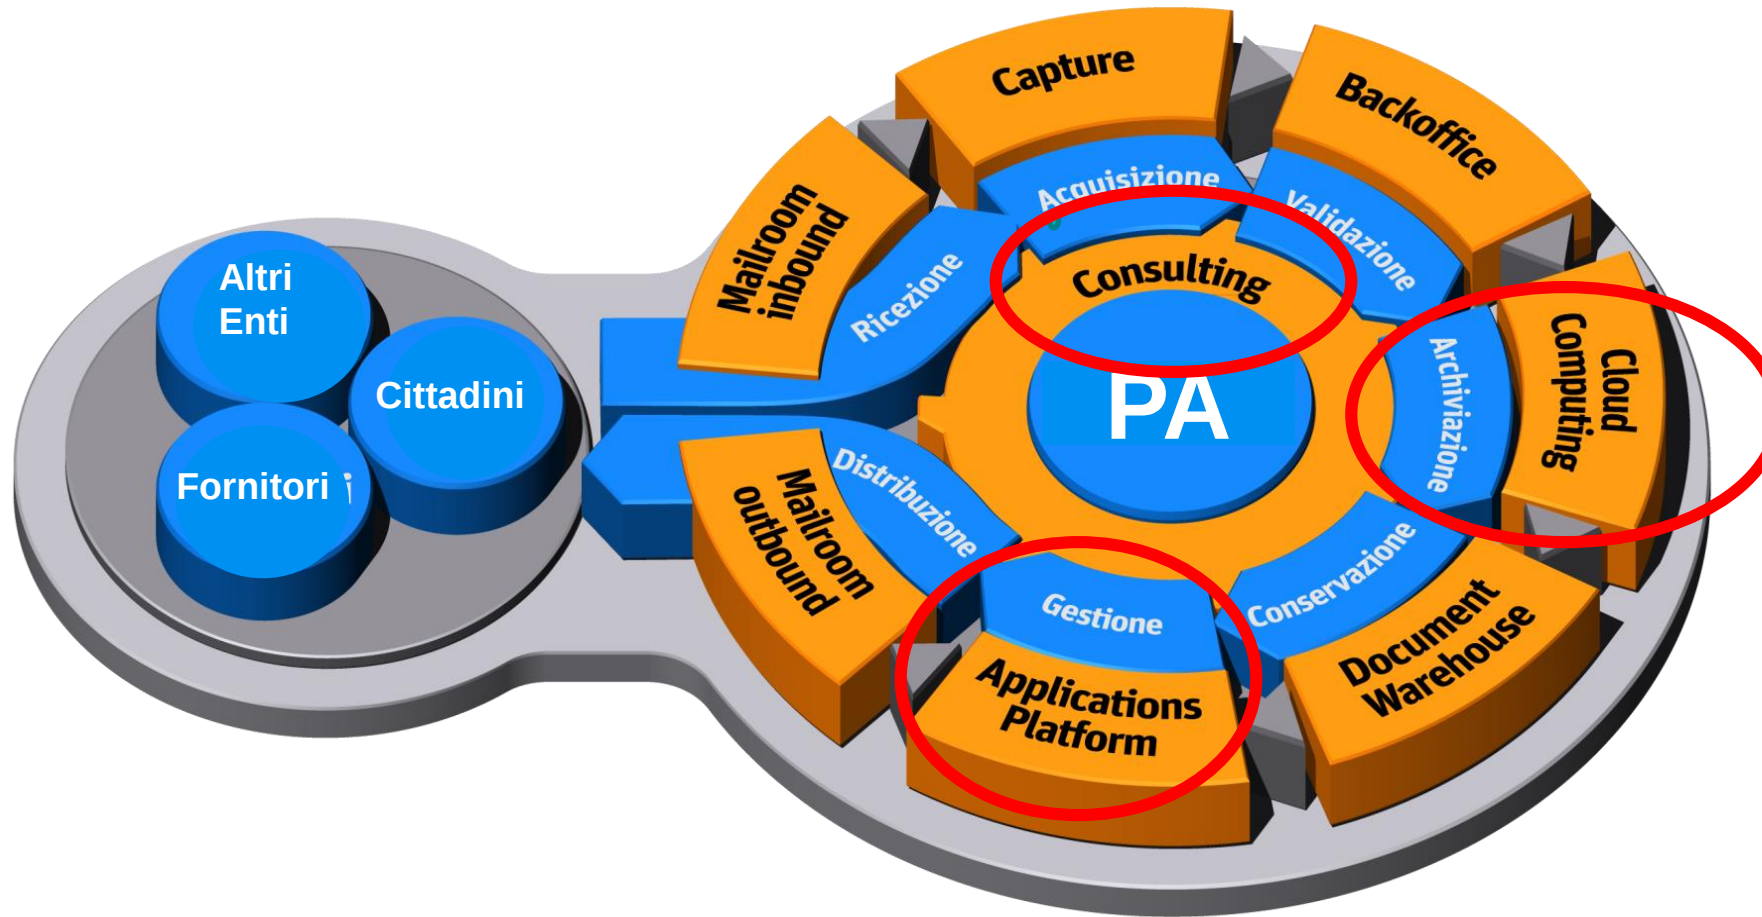

- Il Ciclo di vita del documento

- Servizi e Soluzioni per la gestione del ciclo di vita

- Focus on

- Focus on: Consulting

- *Approccio Multidisciplinare*
- *Studio e progettazione preliminare (asis, tobe, roi, poc)*
- *User Experience*
- *TTT (Transition, Timing, Training)*

- Focus on: Application Platform

- Business Process Management (Workflow)

- Content Management

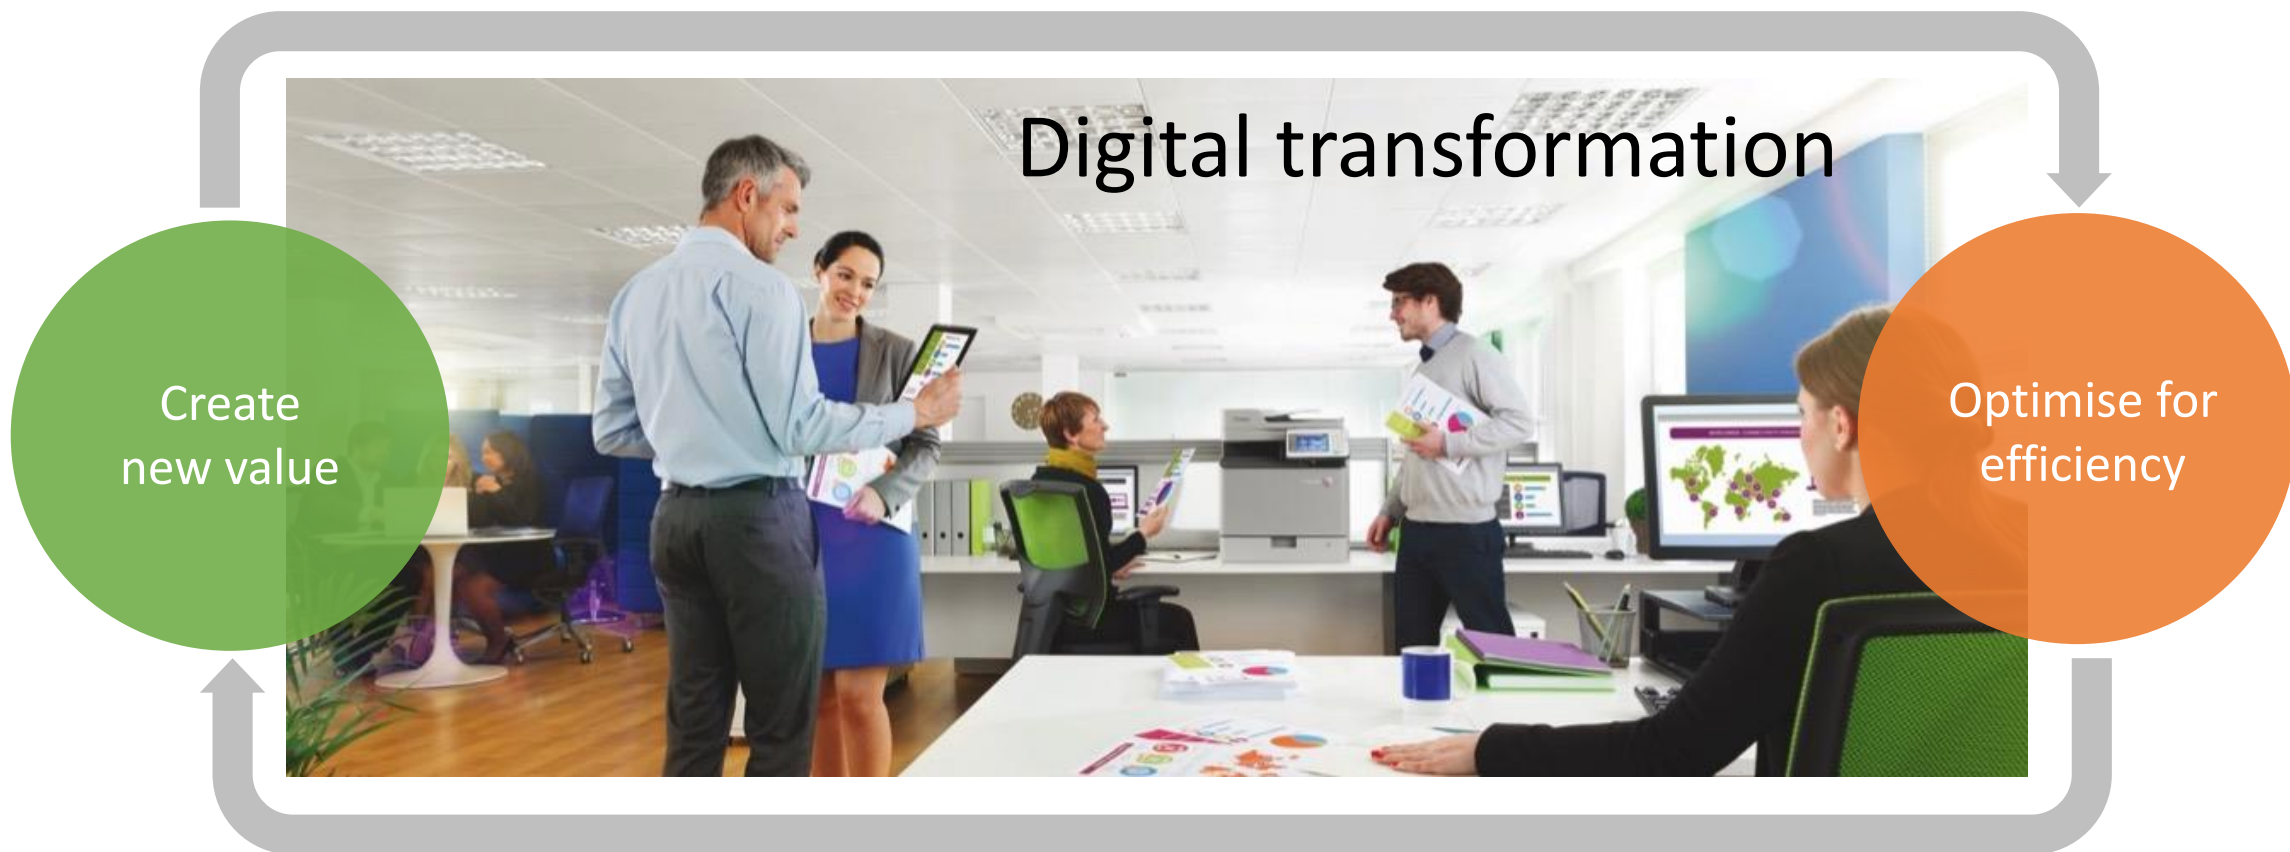

- FEA

- Website & Portals

- Integration

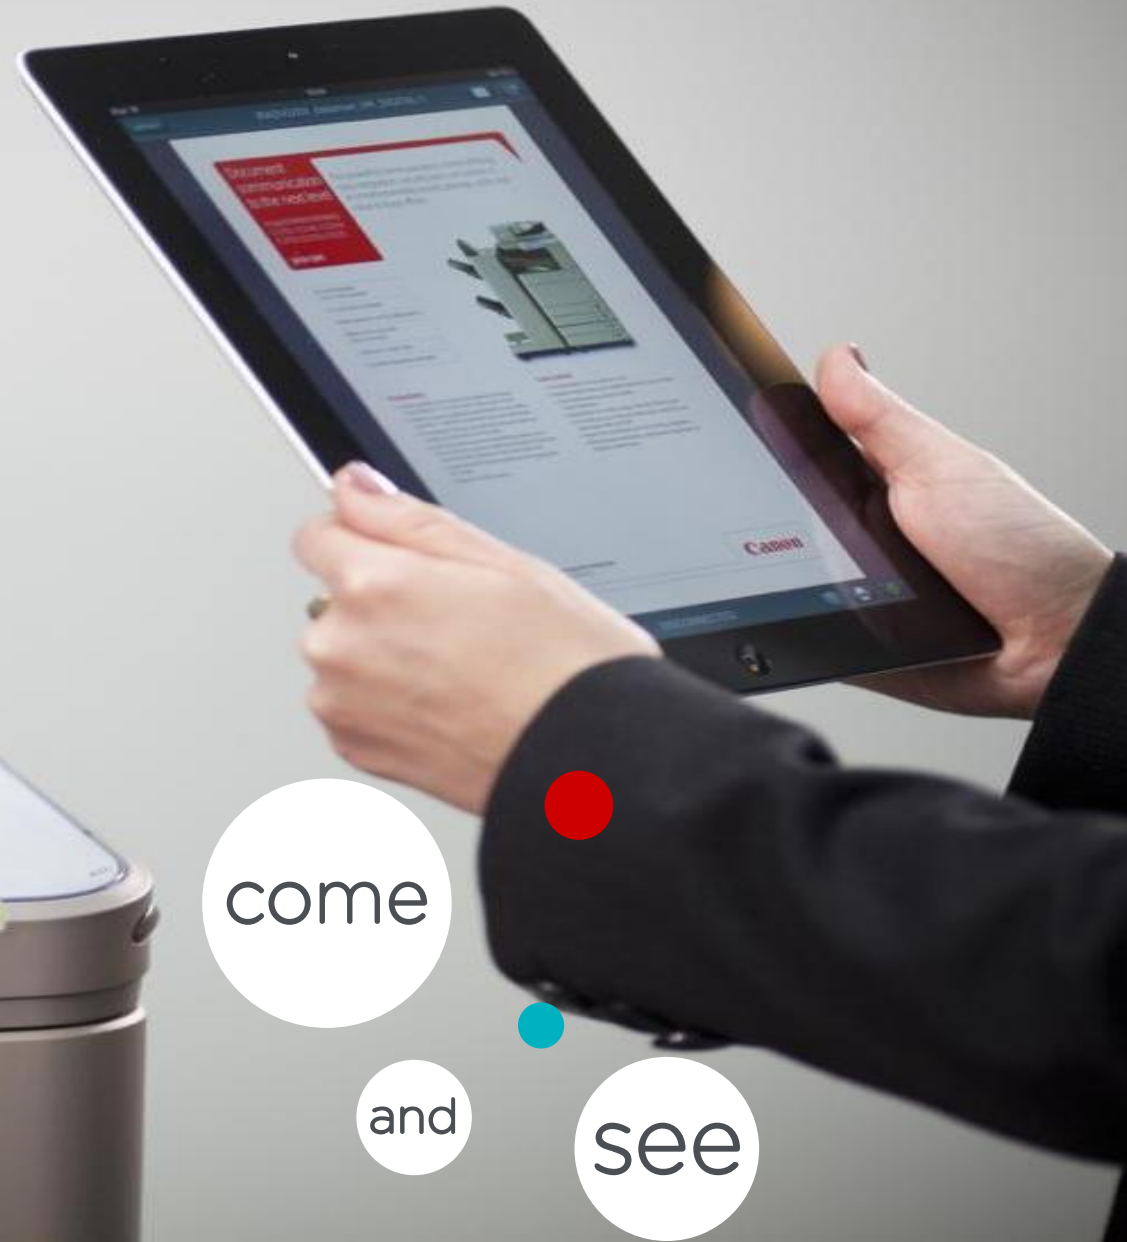

In many cases, just optimising the status quo is
no longer enough

It's time to rethink the way it all joins up

Grazie per l'attenzione
